

FIRST BUY - THEN ATTACH CORRECTLY: HOW TO ATTACH THE STICKER

Car toll sticker:

Attach the toll sticker in a visible location on the inside of the wind-screen (our recommendation: at top left or near the rear view mirror).

Attention: Do not attach the toll sticker in the tinted section of the windscreen.

Motorbike toll sticker:

Attach the toll sticker on a clean and - above all - non-replaceable part of the motorcycle (e.g. a fork rod or the tank).

Attention: A toll sticker attached to a luggage case or a motorcycle bag is not valid.

How to remove an invalid toll sticker quickly and easily:

Lift a corner with a glass or sticker scraper and then pull off the toll sticker. Moisten the remains with water and wipe off with a clean cloth.
